You who once
were far off
have been
brought near
by the blood
of Christ.

Ephesians 2:13

Through the blood:

- We are able to be forgiven
- We are able to be cleansed
- We are able to be victorious

We are victorious.

As God guided Noah through the flood.

As God guided Israel through the plagues.

As God will guide His last generation through the time of trouble.

We are victorious.

He will guide us through our trials
and tribulations now.
