# Revelation 14:6

- ▶ And I saw another angel flying in the midst of heaven, having the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people.
- 

▶ This message [three angels message] is declared to be a part of “the everlasting gospel.” The work of preaching the gospel has not been committed to angels, but has been entrusted to men. Holy angels have been employed in directing this work, they have in charge the great movements for the salvation of men; but the actual proclamation of the gospel is performed by the servants of Christ upon the earth.

▶ E.G. White – Great Controversy p.312

- ▶ The fact that an angel is said to be the herald of this warning is significant. By the purity, the glory, and the power of the heavenly messenger, divine wisdom has been pleased to represent the exalted character of the work to be accomplished by the message and the power and glory that were to attend it. And the angel's flight "in the midst of heaven," the "loud voice" with which the warning is uttered, and its promulgation to all "that dwell on the earth,"—"to every nation, and kindred, and tongue, and people,"—give evidence of the rapidity and world-wide extent of the movement. ...

# Matthew 24:14

- ▶ And this gospel of the kingdom will be preached in all the world as a witness to all nations, and then the end will come.

- ▶ This is the message of present truth. The first, second, and third angels' messages are to be proclaimed at this time. These messages are not to be eclipsed by any other fancied specialties. Their force and efficiency are to continue as long as time is given for repentance.

- ▶ E.G. White Manuscripts 22–1901

▶ Our Lord is soon to come, and I see so little missionary work being done as unworked fields are laid out before me. All whose eyes are open must see that a work should be done which is not being done. Ministers are devoting time to church members who ought to have root and life in themselves. God's servants should go into new places to proclaim the message. What answer will the church give to the Lord in that great day when her neglected work stands forth to reproach her for her slothfulness and her silence, when she knew how much was at stake?
